

IPP (K.3) Level

Conditions

- Accepting only 60 students for the IPP (K.3) class.
- The age range is based on the school-age criteria.
- The student's age is calculated on December 15 of the application year.

If the student was born in January 2022, will be recorded as 4 years and 11 months.

Admission period and required documents

- Applications can be submitted annually until the end of November at <https://admissions.kusip.ac.th>
- Documents required
 - A 2-inch photo of the student (not including the photo attached to the application form)
 - Copy of birth certificate
 - Copy of academic records
 - Copy of house registration

Selection process

An interview invitation email will be sent to candidates in December. Candidates and their parents will attend an interview session with the KUSIP committees. The selection process will follow school regulations and will not include a written exam. However, the selection method may change depending on various circumstances. Details will be provided to the parents in due course.

Announcement

KUSIP will send an acceptance email to the parents of the selected students.

Grade 1–10

Conditions

Applications will only be considered if there is a place available in the applied class and the acceptance shall be approved by the school committee.
